

3rd Annual 5K Breast Cancer Awareness Walk

at Fort Detrick, a Balfour Beatty Community

This year, an estimated 192,370 women are expected to be diagnosed with Breast Cancer in the United States. Although it is rare, approximately 1,910 men will show signs of Breast Cancer.

Balfour Beatty Communities is fighting back with the help of the Susan G. Komen Foundation. We will be hosting the 3rd Annual 5K Breast Cancer Awareness Walk at Fort Detrick in Frederick, Maryland on October 17, 2009. We are hoping that with the help of residents of Fort Detrick and residents of Frederick County we will be able to raise money to fight for the cure.

A registration fee of \$20.00 per person will cover:

- Seminar
- 5K walk throughout Fort Detrick
- A 2009 Balfour Beatty Communities Breast Cancer Awareness 5K Walk T-shirt
- Companionship of survivors and those that have lost loved ones

The proceeds will go directly to the Maryland Chapter of the Susan G. Komen Foundation.
